

Chair Topper

Stow or retrieve your wheelchair in 30 seconds from a car-top compartment.

The Chair Topper stores a foldable wheelchair within 30 seconds. The weather-tight fibreglass compartment weighs 55 kg and can be mounted on most vehicle models. The total weight, including wheelchair, does not exceed 75 kg.

The roof box adds 54 cm total height to the vehicle and is available in driver- and passenger-side models.

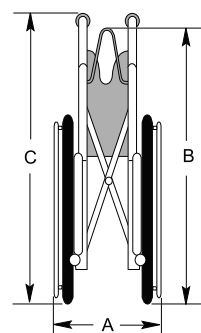

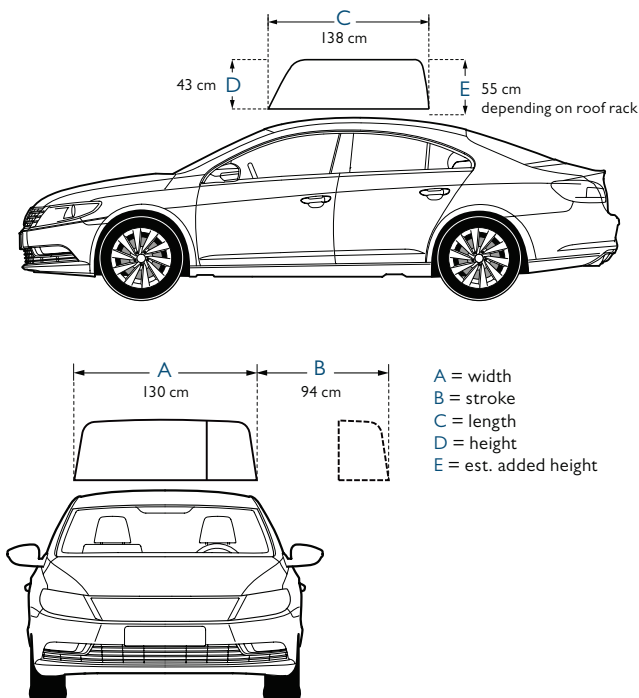

Quick facts

- Hand control operated
- Complete operation takes only 30 seconds
